**Ref: Slot Charter Agreement for US East Coast – Europe Trade**

Seatrade and StreamLines proudly announce a strategic cooperation agreement with Hapag-Lloyd commencing with a Slot Charter Agreement covering the East Coast of North America to Europe

As from 13 April 2018, Seatrade will be offering, through its affiliated company StreamLines, weekly services for Reefer Cargo in containers, from the ports of Savannah, Charleston and Norfolk, into London, Rotterdam, Antwerp, Bremerhaven and Le Havre.

The transit times offered through this Slot Charter Agreement allow for our clients to continue receiving the Fast Direct and Dedicated service that they have been getting from Seatrade and StreamLines.

Through this cooperation agreement with Hapag-Lloyd, we will continue to provide USA reefer cargo shippers and European receivers with the highest quality of service and customer care together with fast transit times and first-class equipment. The agreement allows us to expand port options and provide multiple vessel calls weekly, giving shippers even more frequency and flexibility.

With roots dating back nearly 70 years, Seatrade and Streamlines are industry experts in perishables transport. Our network of agents shares this dedication to reefer cargo and respect for what’s inside the box. **At Seatrade and at StreamLines we breathe cold air.**
