

EMERGENCY BUNKER SURCHARGE (EBS) FOR RAYO + CARIBANEX SERVICES

Tuesday, May 29, 2018

Dear Valued Customer,

The increase in the bunker prices since the start of 2018 has been higher than expected, currently floating around a 20% increase YTD - the highest level since 2018. Regretfully, Seatrade can no longer continue to absorb these incessant increases in bunker prices.

Accordingly, Seatrade will introduce an Emergency Bunker Surcharge (EBS) on its Rayo and Caribanex services that will ensure our customers continue to receive the best in class fast, direct and dedicated shipping and logistics solutions your business activities demand. The EBS will be applied as from June 1, 2018.

The rates to be applied will be as follows:

Currency	Surcharge	Per Reefer FEU (Operating)	Per Pallet
USD	EBS	200.00	10.00

We would like to take this opportunity to say thank you for doing business with us. As the best in class shipping and logistics provider, Seatrade remains committed to delivering the Fast Direct and Dedicated solutions your businesses require.

For further information, please do not hesitate to contact us at the known telephone numbers or email addresses.

Sincerely,

Seatrade Reefer Chartering N.V.
